

VERTICAL TANKS

Our company produces plastic vertical tanks with capacity from 100 to 10 000 Liters. These tanks are well suited not only for industrial use but also for the household. Special recesses allow convenient carrying of tanks.

Type	Volume, l	Dimensions, D x h (mm)	Neck diameter, mm	Thread, inch	Wall, mm	Weight, kg
V 100	150	480/700	220	3/4	3,5	4
